(E.g. stem cells, genetics, technology, pain, prematurity, magnesium sulphate, EPO)	3

Lay Summary:	
Will be used for the Research Foundation website and other fundraising materials (250 words) *The Research Foundation of Cerebral Palsy Alliance relies on the generosity of its supporters, and has the responsibility of reporting back to them, and to the general public, on the research we are funding and how it is progressing. For this reason, **the lay overview in grant applications and grant reports are extremely important**.* *A good lay overview helps the wider public to understand what you are doing as a researcher, and helps us to raise funds to ensure we continue supporting cerebral palsy research.* *We ask researchers to write this section in **plain English** to be **understandable to a non-scientific audience**. To write this section, it might help you to think of it as an abstract for a non-scientific audience; do not use your scientific summary.* *It is worthwhile asking someone without a scientific background to read your lay section before you submit the application.*	*Please demonstrate how the purchase of equipment will lead to improve current interventions, find a prevention or a cure for cerebral palsy. It should also broadly cover these areas:* • *What is the purpose of the equipment? What does the equipment do?* • *Expected outcome of utilising the equipment.* • *How the equipment will be cared for (warranty, service and maintenance of the equipment)* • *Outline any inter-team or departmental collaboration opportunities in the use of this equipment.*
